APPROVAL OF MINUTES:

Approval of April 8, 2025, minutes:

Legislator Brown made the motion, seconded by Legislator Standinger to approve the April 8, 2025, Public Safety minutes, as written. Motion carried.

PROBATION – Brian Cain:

FINANCIAL:

- Budget on track

OLD BUSINESS:

- Training: Staff attended Atlas Onboarding training in April. Assistance in completing the Domestic Violence Risk Assessment as well as financial training as it pertains to Caseload Explorer were provided to other counties. The Tioga County Sheriff's Office has agreed to provide firearms recognition and safety training for Probation Officers. This training has been requested from other County Probation Departments as many probation Directors have expressed an interest in having their officers attend.
- Atlas Digital Platform – Evidence based digital programs for use with both the adult and Juvenile populations in Tioga County. This is making journaling easier for youth vs.

adults and is a conversation starter for the Probation Officers to use with their probationers.

- Probation is exploring having one of our Officers certified as a court certified translator for Spanish and French.
- Probation staff volunteered at the Drug Take Back event in April. Planning to participate with a table at the OES Open House on May 17, 2025.
- Probation has purchased the Firesetting Risk Assessment Tool for Youth (FRAT-Y) to determine risk level for youth exhibiting these behaviors. Probation is currently seeking a mental health partner to complete the assessment.
- Probation held a meeting with representatives from other County Departments to discuss the issues that would need to be addressed for Probation to become a partially armed Department. Currently 74% of Probation Departments in NYS are armed departments.
- Due to continued low numbers of Court Orders for community service on the Weekend Work Program, moving forward, in all cases where the defendant is physically able, completion of community service on the WWP will be part of the plea agreement.
- Five Juvenile Delinquency Appearance Tickets received for April. The JDATs alleged the respondents committed acts which if committed by an adult would constitute the crimes of Arson, Burglary, Criminal Mischief, Assault, Harassment and Criminal Trespass.
- Electronic Monitoring: nine people being electronic monitored.
- Pre-Trial Release: 32 people are being supervised.
- Court Ordered Investigations: 52 active cases opened.
- Supervising: 175 people currently.
- Violations: 9 have violated.

PERSONNEL:

- One Vacant Probation Officer 1 position exists.
- One unfunded Probation Officer 1 position remains unfunded.

RESOLUTIONS:

None

OFFICE of EMERGENCY MANAGEMENT – Corinne Cornelius:

FINANCIAL:

- Within Budget

OLD BUSINESS:

- Radio Project: Patriot has finished up the anchoring system for the tower in Richford. Tower should be complete by end of May. Nichols permitting has been resolved – will need to light that tower for the town, cost of approximately \$64,000. All equipment

waws moved out of the warehouse to alternate secure locations. We have ended our lease with Weitsman's. DPW provided, forklift, low-boy and manpower to assist with move. We have received information for the Carmichael and Popple failed structural assessments. Carmichael seems standard, however, Popple was an exorbitant cost.

- Fleet mapping and talk-group committee meetings have been taking place to begin designing the channel layout of the new system.
- Frank Yoder has been catching up to speed as the consultant. He has continued to make great headway on the project, including contact information for the existing Spencer Tower site, permission for road access, locks, etc.
- The jail is staying on their stand-alone system. Their radios have been failing, and new ones were purchased. They will be operational in the next few weeks.
- CAD Project: Another EMS agency has joined the CAD system and mapping.
- EMS: Spring EMT classes have been moving along – Finish up in May 2025. We will be reposting the Assistant Coordinator position that oversees EMS courses.
- Emergency Management: Corinne attended the Communications Symposium in Corning, NY with information presented including radio security and NYS security updates.
- The office is preparing for the Open House in May 17, from 10-2, weather permitting. The Lifenet Helicopter will be on site, and we have already gotten many table requests for different resources.
- The two new Tahoe's have been outfitted with lettering and all radios and lights. These vehicles are now response ready.
- Threat Assessment Team: Continuing to meet and hear cases; working to update their plan that is due June 1, 2025; Tioga is hosting the TERC course with NYS DHSES DTPU May 13-15 2025. 38 are registered.
